

The Welcome Baby Ministry committee would like to thank all who gave of their time, passion, resources and prayers to honor Sanctity of Life over the past year.

Sanctity of Life

January is Sanctity of Human Life Month

"America was founded on the principle that we are all endowed by our Creator with the right to life and that every individual has dignity and worth. National Sanctity of Human Life Day helps foster a culture of life and reinforces our commitment to building a compassionate society that respects the value of every human being. National Sanctity of Human Life Day serves as a reminder that we must value human life in all forms, not just those considered healthy, wanted or convenient. Together we can work toward a day when the dignity and humanity of every person is respected."

George W. Bush
